PROFESSIONAL EXPERIENCE

Edge to Ease **Detroit, MI**
Team Consultant *September 2026 – Present*
- Collaborate with a **5-**member team to prepare a **Lovable**-built wellness web app for iPhone and Android release on the App Store and Google Play
- Support the mobile build process using **Capacitor**, **Supabase**, and **GitHub**, including verifying project connections, login, and data access
- Track account access, project links, and open blockers across the team to keep the release checklist on schedule

Oakland University **Rochester, MI**
Research Intern *May 2026 – July 2026*
- Selected as **1 of 10** students for the **NSF-funded ApREECE REU** to develop a wearable knee sleeve for human motion capture
- Developed a sensor fusion system using **bend**, **proximity**, and **stretch sensors** with **Arduino** to support rehabilitation applications
- Presented research at Oakland University Poster Showcase and Mid-SURE Research Symposium at Michigan State University

Warrior Consulting Group **Detroit, MI**
BeReworn Consultant *January 2026 – April 2026*
- Worked on a 6-member team supporting BeReworn, a fashion-technology startup reimagining Detroit's fashion ecosystem
- Contributed to data-driven insights and strategic recommendations aimed at increasing user engagement and long-term growth
- Utilized tools such as **GitHub, Supabase,** and **Node.js** to organize project data and support collaborative team analysis

GAP **Novi, MI**
Sales Retail Associate, Twelve Oaks Mall *March 2025 – August 2025*
- Delivered exceptional personalized customer service to diverse clients, increasing repeat sales and overall client satisfaction
- Collaborated with a **5–10** member team to consistently meet and exceed weekly sales goals, contributing to store performance
- Processed **50+** transactions per shift with **85%** accuracy, contributing to smooth store operations and positive customer experience

LEADERSHIP & PROFESSIONAL DEVELOPMENT

Alpha Kappa Psi - Professional Business Fraternity **Detroit, MI**
Co-Service Chair *April 2026 – Present*
- Coordinate community service initiatives and collaborate with over **80+ members** to plan volunteer events and service opportunities
- Assist in organizing service projects by coordinating event planning, member communication, and volunteer participation
- Develop collaborative strategies to enhance member engagement and foster partnerships with local community organizations

Kil's Taekwondo **Farmington Hills, MI**
Instructor *July 2024 – December 2025*
- Taught classes of **20–25** students, effectively guiding belt progressions and martial arts techniques in a structured, safe environment
- Coached students to refine skills, build discipline, confidence, fitness, and teamwork, resulting in over **85%** student retention
- Advised students individually, lesson plans and supporting over **90%** of students in successfully achieving belt promotions

PROJECTS

AI Resume Screener & Job Matcher **Farmington Hills, MI**
NLP-based tool that evaluates resume-job fit and provides improvement feedback *September 2026 – Present*
- Develop a resume-job matching tool using **Python** and **NLP**, extracting keywords from resumes and job descriptions
- Implement similarity scoring by comparing keywords and key skills to generate a match percentage and rank candidate fit
- Build automated feedback reports that highlight missing qualifications and suggest improvements to increase interview readiness

Garage Parking Sensor **Detroit, MI**
Arduino-based Proximity Alert System for Garages *September 2025 – December 2025*
- Developed a hardware-software solution using **C++** and **Arduino** providing drivers real-time distanced feedback via RGB LEDs
- Integrated a **HC-SR04** sensor to measure proximity, utilizing soldering and circuit assembly to ensure reliable system performance
- Coordinated with a team to design a functional **$70 prototype**, successfully presenting results at a departmental design showcase
